ACCELERATOR – FAQs

HOW DO I PAY?

Use the payment gateway on the website. Your purchase is for ONE person only (see terms of service for all the legal detail).

HOW DO I PAY FOR MULTIPLE PEOPLE IN MY TEAM?

You can register each person individually OR contact Amanda to be invoiced in a lump sum (New Zealand Businesses only) and your team will be provided with personal login details.

CAN I DOWNLOAD THE SESSIONS?

There are downloadable PDF's but the video and audio pieces will be housed in the learning management system on my website.

That means you can ACCESS the sessions with an Internet connection but cannot download audio and video resources.

CAN I TRIAL IT?

YES – absolutely. *You have 30 days* to check it out and if it isn't right for you, you can get a refund with just a few clicks.

CAN I GET A REFUND?

Yes. For 30 days after you sign up. Rest assured you will know if it is right for you before then. You can cancel your membership at any time but will lose access to the Accelerator immediately. Remember, this offer is for LIFETIME access.

CAN I GET PERSONAL ACCESS TO Amanda?

Yes. Amanda is an email away so you can set up a time to discuss your programme. Personal 1-1 coaching is available on application and (naturally) incurs additional fees.

HOW WILL THE PROGRAM BE DELIVERED?

Weekly coaching emails will alert you that your next session is available. You simply login to the membership area via a link in the email and access that week's material. Once you register, you have lifetime 24/7 access.

WHAT IS THE DELIVERY STYLE?

You can expect a mix of content, process and guided activity delivered via video, slide shows, guided audio and PDF's.

COMMUNITY? You can join the conversation in every module and every session at the bottom of the page and engage with others on the path...or you can maintain your anonymity and complete this programme in the intimacy of your own environment. There is no pressure either way.

GROUP LEARNING: if you are interested in having your entire team subscribe, ***a separate membership will need to be purchased for each participating member.*** Each Accelerator membership applies to one (1) person. There are guidelines for setting up and facilitating such a group inside the program on the Accelerator home page.

WHAT HAPPENS AT THE END OF THE PROGRAM?

Your membership gives you life-long access to the programme.
