

Land Surveyor

“There is such a **variety of work**, everyday is different. You get to **see some pretty cool places**, not just stuck in an office!”

GEORGIA ROONEY

Favourite Project Name: Powerhouse Museum

Favourite Subjects at School: Geography, Maths, Physics, Physical Education (P.E)

Tertiary Study Completed: Bachelor of Surveying, Registered Surveyor NSW

Your Favourite Tools: 3D scanner is my favourite because it can record millions of points very quickly unlike traditional measurements with a theodolite where you record single points.
