

Yael T.W.

MEDIA KIT

BIO

Yael left a twelve-year successful financial career as a CPA in pursuit of a more meaningful and fulfilling life.

For more than twenty years, she has been studying, practicing, and teaching self-research disciplines such as yoga, Buddhism, and astrology.

Through her experience working with hundreds of students and clients, she was inspired to write her book, Planetary Balance.

Her mission is to help people live a wholesome, balanced, and authentic life, led by passion and a sense of purpose.

Topics of expertise

- Astrology
- Emotional work
- Manifestation
- Writing and creativity
- Relationships
